RE: Susan A. Gootnick, M.D.

To Whom It May Concern:

I have had the pleasure of working with Dr. Susan Gootnick numerous times over the past few years regarding medical-legal matters. I was a full time surgeon for seven (7) years, working closely with radiologists. However, Dr. Gootnick often pointed out aspects of medical negligence cases that I had not considered.

Dr. Gootnick has been insightful, prompt, balanced, and, not least, fun to work with. It has been a pleasure working with her, and I plan on continuing our professional relationship.

Sincerely,

FLORIN ROEBIG, P.A.
